6th Grade Junior High Accelerated/Advanced Agreement

Please mark each advanced class in which you are interested in being enrolled:

☐ READING/LANGUAGE ARTS ☐ MATH ☐ SCIENCE ☐ SOCIAL STUDIES

Montgomery ISD acknowledges that student participation in advanced coursework is valuable. MISD encourages all willing and academically prepared students to participate in advanced courses. Advanced courses are designed to prepare students for college-level courses, like AP and Dual Credit, in high school. Participation in advanced courses is a foundation of college readiness. The intent of the agreement form that follows is to maximize each student's potential for success in advanced courses.

Choosing Advanced Academics:

Advanced courses in Montgomery Independent School District are designed to challenge students beyond level coursework. A good indicator for success in advanced courses is student mastery on the most recent state assessments. While we expect students to be successful in all advanced coursework, a close look at the student's total course load and commitment to other activities should also be considered when choosing how many advanced courses to take.

Use this space to evaluate and consider your time commitments when looking at enrolling in advanced courses.

Subject	1st Semester Average (numeric)	Time Spent on HW Daily (circle one)	Time Spent on Extra-Curricular Activities Daily (circle one)	Current Teacher Signature

Student Agreement:

The student agrees to advanced coursework by recognizing the long-term benefits of participation and seeking assistance when needed. The student agrees that advanced courses may seem challenging at first and initial grades may not reflect later grades in the course. The student agrees that in the event that they encounter difficulties with the course content, they conference with their teacher about their progress and attend tutorials. The student agrees that course changes will be contingent on space availability, extenuating circumstances, the teacher's appraisal of their potential for success in the course, and the timing of the request.

Parent Agreement:

The parent agrees to advanced coursework by supporting student learning in the advanced course; by supporting teacher efforts to provide rigorous, quality instruction; and by valuing the learning that occurs in the advanced course. The parent agrees to encourage their child to be prepared for class each day. The parent agrees that advanced courses may seem challenging at first and initial grades may not reflect later grades in the course. The parent agrees that schedule changes will be contingent on space availability, extenuating circumstances, and the teacher's appraisal of their child's potential for success in the course, and the timing of the request as outlined in the MISD 24-25 Course Selection Guide.

By signing below, I acknowledge understanding of the information pertaining to participation in advanced courses in MISD.
